

## Pricing Addendum

I am agreeing to license ShowroomMagnet on a performance basis of \$29.00 per captured customer through showroom magnet that visits my business location + the face amount of the gift card + \$2.5 wireless transaction fee.

A captured customer is any customer information that is captured by the ShowroomMagnet application on any web property I have the application running on.

A visit is the redemption of a gift card at the business location OR the match of the customer information captured with in ShowroomMagnet that matches a record from the clients Point of Sale (POS) system, DMS or CRM.
